## WHO WE ARE

Le Petit Septième (LPS) is a movie blog that has been around for more than 8 years. It specializes in Quebec, international and auteur cinema, and shows a lot of interest in short films. It works to make more people know about non Hollywood cinemas: auteur films, independent films and films from national cinemas from different countries. It covers various festivals, theatrical releases in Quebec, as well as new features available online.

The number of visitors on the website, as well as the number of pages viewed are increasing. The notoriety of Le Petit Septième is now established.

The co-founders, Annie Tanguay and François Grondin, are also part of the jury of the International Narrative Short Film Festival (INSFF). They are also surrounded by a team of collaborators from everywhere in the world, with varied and complementary cinematographic tastes and interests.

Le Petit Septième is the reference in international cinema!
